# Timmy Bergkvist

## About me

Hi, I'm Timmy Bergkvist, a software engineer with a passion for building scalable web applications. I have over 5 years of experience in the industry, working on various projects from small startups to large enterprises. I am currently working as a Senior Software Engineer at [Company Name], where I lead a team of developers and work on the core infrastructure of our product. I am always looking for new challenges and opportunities to learn and grow. I am also a member of the local tech community and enjoy attending conferences and meetups. I am open to new opportunities and would love to hear from you if you are interested in discussing potential roles or projects.
